

LA BELLE VIE

american semi-dry vidal blanc

The phrase "La Belle Vie" is a play on the French expression meaning "The Beautiful Life".

This crisp and refreshing semi-dry white wine is a very well-balanced inspirational expression of that idea as soft flavors of mangoes are carried on the palate with a subtly sweet finish that floats on your taste buds. Take the time and enjoy La Belle Vie. Cheers! Life is delicious.

Enjoy chilled with appetizers, seafood, pasta and grilled foods.
